Upcoming Webinars: Explore, Learn, and Share!

Basics of the European Learning Model (ELM)

Mark your calendars for the upcoming webinar: “**Basics of the European Learning Model**” on **28 November at 14:00 CET**. This session offers a hands-on introduction to the ELM, ideal for both newcomers and those wanting a refresher.

Date: 28 November 2024

Time: 14:00 CET

Register here: [ELM Registration](#)

Note: The webinar link will be sent out on 27 November after registration closes.

This webinar will cover the fundamentals of ELM, focusing on its aims, benefits, and application profiles—no prior technical expertise required. Feel free to share this event with anyone in your network who might be interested!

The European Learning Model provides tools to facilitate the recognition of qualifications and validation of skills - and is thus topical also for those working with the Diploma Supplement.

For any questions, please contact: **EMPL-ELM-SUPPORT@ec.europa.eu**

Join our November Diploma Supplement Webinar

Don't miss our **Diploma Supplement webinar** on **29 November 2024, 10:00–12:00 CET**.

- Describing and leveraging learning outcomes.
- Updates on Diploma Supplement digitalisation and innovative solutions.
- Insights into the European Learning Model (ELM) forum.

Date: 29 November 2024

Time: 10:00–12:00 CET

More details: [Diploma Supplement Network](#)

No registration required—the link will be posted on the website a day before the webinar.

Bridging Borders: Cross-Border Data Exchange in Education

Join an interesting webinar on **4 December 2024**, from **9:00 to 10:30 CET**, for insights on **cross-border digital services for studying abroad in the Nordic and Baltic countries**.

Date: 4 December 2024

Time: 9:00–10:30 CET

Event page: [Webinar "Bridging Borders: Cross-Border Data Exchange in Education" - Hanke- ja projektitoiminta Opetushallituksessa - Eduuni-wiki](#)

Organized by the CBDS-Study project, this webinar will highlight key achievements in creating seamless cross-border digital services. This marks the project's conclusion and celebrates progress toward making the Nordic-Baltic region a leader in student mobility.

No registration is required—just join via the event page!

Explore the Evolving World of Qualifications and Credentials

How are qualifications and credentials changing, and how can EU tools support citizens in navigating these shifts?

Event Date: 5.12.2024

Register here: <https://ec.europa.eu/eusurvey/runner/Qualifications>

Join a discussion featuring **Cedefop experts** who will share insights from over a decade of research on qualifications developments and introduce key EU tools.

The session will explore:

- The transformation of qualifications and credentials driven by societal needs, labor market demands, and technological advancements.
 - The rise of flexible learning options, allowing individuals to collect and stack credentials over time.
 - The role of EU tools in promoting transparency, inclusivity, and usability of qualifications.
-

Celebrating 3 Years of European Digital Credentials (EDC) - Revisit the webinar

Did you miss the recent EDC celebratory webinar in October? Don't worry—you can catch up!

Learn more about:

- The milestones achieved in the past three years of EDC development.
- Testimonials from key implementers, including Universidad Carlos III de Madrid, University of Malta, Nuremberg Institute of Technology, and SEPIE.
- The success of EDC in issuing over 35,000 credentials across Europe.

Access the recording and key insights here: [Celebrating 3 Years of EDC](#)

Reminders: Stay Connected and Get Involved!
