

TFK programme, funded projects 2026

Project title: Academy for Digital Management, inclusion, resilience, and excellence	
Coordinator Vaasan yliopisto Juho-Pekka Mäkipää juho-pekka.makipaa@uwasa.fi	The ADMIRE project aims to strengthen the capacity of Ukrainian higher education in business and management through the transfer and co-creation of Finnish expertise in digital and inclusive education. The project addresses gaps in inclusive teaching methods and in preparing future managers to work in diverse teams. Kyiv National Economic University will play a key role in adapting and scaling project results at the national level. The project combines needs analysis, capacity building, implementation, and mobility-based knowledge transfer, ensuring practical application of results. Key outputs include updated curricula, newly developed modules and courses, digital learning solutions, and a joint academic handbook on inclusive and digital management.
Partners Kyiv National Economic University named after Vadym Hetman (KNEU)
