

TFK programme, funded projects 2026

Project title: Global Game Development Double Degree Collaboration between Kajaani University of Applied Sciences (KAMK) and Communication University of Zhejiang (CUZ)	
Coordinator Kajaanin ammattikorkeakoulu Oy Jonna Kalermo-Poranen jonna.kalermo-poranen@kamk.fi	The project responds to the growing demand for internationally skilled professionals in the game development industry. Through cooperation between Kajaani University of Applied Sciences (KAMK) and Communication University of Zhejiang (CUZ), it combines Finnish strengths in game education and project based learning with Chinese expertise in digital media and a rapidly expanding gaming market. The collaboration advances a joint double degree curriculum, strengthens long-term academic cooperation, and offers students and staff a unique international learning environment.
Partners Communication University of Zhejiang (CUZ) Sumino Oy
