

Overview of partner countries and available funding

The amounts presented below by funding envelope are indicative and provisional. The final allocation by funding envelope will be confirmed after the application deadline in spring 2026. The total funding available for the 2026 call is **approximately EUR 3,750,000**.

Mobility of short-cycle, first-cycle (BA) and second-cycle (MA) students with countries receiving Official Development Assistance (ODA) in Regions 2–11 is restricted to incoming mobility only (not highlighted in the table). Outgoing mobility to these regions is possible under external policy funding only for doctoral-level students and staff. Outgoing student mobility to these countries may also be supported through the institution's KA131 budget (up to a maximum of 20% of the awarded grant).

The list of ODA countries is available on the [OECD website](#).
